21. Please refer last page of Annual Report for AGM Location Map.

22. VOTING THROUGH ELECTRONIC MEANS

Pursuant to the provisions of Section 108 of the Companies Act, 2013 (Act), read with Rule 20 of Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) and Secretarial Standard on General Meetings (SS-2) issued by The Institute of Company Secretaries of India, the Company is pleased to provide the facility of e-voting to its Members. The Members can avail the said facility (e-voting) from any place, which will be provided by Central Depository Services (India) Limited (CDSL).

The remote e-voting period commences on Friday, 20th September 2024 (9.00 a.m. IST) and ends on Sunday, 22nd September 2024 (5.00 p.m. IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 16th September, 2024 may cast their vote electronically.

Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process

23. ACCESS THROUGH DEPOSITORIES CDSL/NSDL E-VOTING SYSTEM IN CASE OF INDIVIDUAL SHAREHOLDERS HOLDING SHARES IN DEMAT MODE

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT 2013:

Item No. 4

Pursuant to Section 161 of the Companies Act, 2013, the Board of Directors of the Company, on the recommendation of Nomination & Remuneration Committee, vide resolution passed on 7th August, 2024, approved the appointment of Mr. Siddarth Bohara (DIN: 09265740) as an Additional Director in the capacity of Non-Executive Independent Director of the Company for a first term of 5 (Five) years effective from 7th August, 2024 to 6 August 2029, not liable to retire by rotation, subject to the approval of shareholders.

Mr. Siddarth Bohara, is the founding partner of M/s. Hygi Stimulation LLP and also serves as the Director (Public Relation) in JITO Bangalore North Chapter. He has around 2 decades of overall experience in various fields viz., Granite Mining, Stone Crusher, Jewelry Manufacturing, Business Strategy, Management etc. He also possesses expertise in Media Management, Business Development and networking.

Mr. Bohara fulfils the requirements of an Independent Director as laid down under Section 149(6) of the Act and Regulation 16 of the SEBI Listing Regulations. The Company has received all statutory disclosures / declarations from Mr. Bohara including the following:

- a. Consent in writing to act as Director in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014 ("the Appointment Rules");
- b. Intimation in Form DIR-8 in terms of the Appointment Rules to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act;
- c. A declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act;
- d. A declaration that he is not debarred from holding the office of Director by virtue of any SEBI order or any such authority.

The Company has also received a notice in writing from a member under Section 160 of the Act, proposing his candidature to the office of Independent Director. In the opinion of the Board, Mr. Bohara fulfils the conditions for his appointment as an Independent Director as specified in the Act and the Rules made thereunder and SEBI Listing Regulations and is independent of the management. Mr. Bohara possesses requisite skills and capabilities and his Business Strategy and Public Relation experience and expertise will help the Company to effectively communicate with employees, Clients, vendors and other individuals involved in day-to-day business operations.

A copy of the Letter of Appointment for Independent Director, setting out terms and conditions of his appointment, is available for inspection at the Corporate & Registered Office of the Company during business hours on any working day and will be available for electronic inspection by the members.

Accordingly, the Board recommends the resolution in relation to appointment of Mr. Siddarth Bohara as Independent Director, for the approval by the shareholders of the Company as set out at item No. 4 of the Notice. A brief profile of proposed Independent Director is provided as Annexure to the Notice. Except Mr. Siddarth Bohara and his relative, to the extent of their shareholding interest, if any, none of the Directors or Key Managerial Personnel of the Company and their relatives, are concerned or interested, financially or otherwise, in the said Resolution.

Item No. 5

Pursuant to Section 161 of the Companies Act, 2013, the Board of Directors of the Company, on the recommendation of Nomination & Remuneration Committee, vide resolution passed on 7th August, 2024, approved the appointment of Mr. Mahendra M Jain (DIN: 10627369) as an Additional Director in the capacity of Non-Executive Independent Director of the Company for a first term of 5 (Five) years effective from 7th August, 2024 to 6 August 2029, not liable to retire by rotation, subject to the approval of shareholders.

Mr. Mahendra M Jain, is a seasoned professional with a wealth of experience in the Polymer Industry of more than 2 decades, and has expertise in the field of Finance, Marketing and all facets of Plastic business. He has rich exposure and invaluable insights and expertise in procurement strategies, financial management, and operational efficiency.

Mr. Jain fulfils the requirements of an Independent Director as laid down under Section 149(6) of the Act and Regulation 16 of the SEBI Listing Regulations. The Company has received all statutory disclosures / declarations from Mr. Jain including the following:

- a. Consent in writing to act as Director in Form DIR-2, pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014 ("the Appointment Rules");
- b. Intimation in Form DIR-8 in terms of the Appointment Rules to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act;

- c. A declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act;
- d. A declaration that he is not debarred from holding the office of Director by virtue of any SEBI order or any such authority.

The Company has also received a notice in writing from a member under Section 160 of the Act, proposing his candidature to the office of Independent Director. In the opinion of the Board, Mr. Jain fulfils the conditions for his appointment as an Independent Director as specified in the Act and the Rules made thereunder and SEBI Listing Regulations and is independent of the management. In the opinion of the Board, considering Mr. Jain diverse skills, leadership capabilities, expertise in business & industry experience in a range of sectors, his induction to the Board will be of immense benefit to the Company thereby contributing to the overall growth of the Company.

Item No. 7

The provisions of the SEBI Listing Regulations, as amended by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective April 1, 2022, mandates prior approval of members by means of an ordinary resolution for all material related party transactions and subsequent material modifications as defined by the Audit Committee, even if such transactions are in the ordinary course of business of the concerned Company and at an arm's length basis. Effective from April 1, 2022, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, exceed(s) Rs. 1,000 crore, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower.

In the financial year 2024-25, the Company, propose to enter into certain related party transaction(s) as mentioned below, on mutually agreed terms and conditions, and the aggregate of such transaction(s), are expected to cross the applicable materiality thresholds as mentioned above. Accordingly, as per the SEBI Listing Regulations, prior approval of the Members is being sought for all such arrangements / transactions proposed to be undertaken by the Company. All the said transactions shall be in the ordinary course of business of the Company and on an arm's length basis.

The Audit Committee has, on the basis of relevant details provided by the management, as required by the law, reviewed and approved the said transaction(s), subject to approval of the Members, while noting that such transactions shall be on arms' length basis and in the ordinary course of business of the Company.

Background, details and benefits of the transaction

The transactions between the two companies will not only help smoothen business operations for both the companies, but also ensure consistent flow of desired quality and quantity of steel scrap, Ferro Alloys, Non- Ferro Alloys and other raw materials without interruptions and generation of revenue and business for both the companies to cater to their business requirements. This strategic move is also justified by the necessity to secure stable and reliable sources of supply, while also benefiting from the established trust and favorable terms inherent in related-party dealings. The increase in these transactions allows the company to better manage price volatility, optimize operational efficiency, and sustain profitability during market fluctuations.

The management of the Company has provided the Audit Committee with the details of various proposed RPTs including material terms and basis of pricing. The Audit Committee, after reviewing all necessary information, has recommended entering into RPTs with OAPL for an aggregate value transaction not exceeding ₹ 300 crore to be entered during FY 2024-25. The Audit Committee has noted that the said transactions will be executed as per the terms of the purchase orders, which is in the ordinary course of business.

Mr. Mohanlal Bharath Kumar Jain, Mr. Subhashchand Mohanlal, Mrs. Sapna Jain and Mrs Seema Jain and their relatives are deemed to be concerned or interested in these resolutions.

None of the other Directors, Key Managerial Personnel of the Company and their respective relatives, are in any way, concerned or interested, financially or otherwise, except to the extent of their shareholding in the Company, if any, in the proposed Ordinary Resolution, as set out in Item no. 7 of this Notice.

Item No. 8

The provisions of the SEBI Listing Regulations, as amended by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective April 1, 2022, mandates prior approval of members by means of an ordinary resolution for all material related party transactions and subsequent material modifications as defined by the Audit Committee, even if such transactions are in the ordinary course of business of the concerned Company and at an arm's length basis. Effective from April 1, 2022, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, exceed(s) Rs. 1,000 crore, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower.

In the financial year 2024-25, the Company, propose to enter into certain related party transaction(s) as mentioned below, on mutually agreed terms and conditions, and the aggregate of such transaction(s), are expected to cross the applicable materiality thresholds as mentioned above. Accordingly, as per the SEBI Listing Regulations, prior approval of the Members is being sought for all such arrangements / transactions proposed to be undertaken by the Company. All the said transactions shall be in the ordinary course of business of the Company and on an arm's length basis.

The Audit Committee has, on the basis of relevant details provided by the management, as required by the law, reviewed and approved the said transaction(s), subject to approval of the Members, while noting that such transactions shall be on arms' length basis and in the ordinary course of business of the Company.

Background, details and benefits of the transaction

The transactions between the two companies will not only help smoothen business operations for both the companies, but also ensure consistent flow of desired quality and quantity of Ferro Silicon, Ferro Molybdenum, Roasted Molybdenum Oxide briquettes, and other materials without interruptions and generation of revenue and business for both the companies to cater to their business requirements. This strategic move is also justified by the necessity to secure stable and reliable sources of supply, while also benefiting from the established trust and favorable terms inherent in related-party dealings. The increase in these transactions allows the company to better manage price volatility, optimize operational efficiency, and sustain profitability during market fluctuations.

The management of the Company has provided the Audit Committee with the details of various proposed RPTs including material terms and basis of pricing. The Audit Committee, after reviewing all necessary information, has recommended entering into RPTs with OSPL for an aggregate value transaction not exceeding ₹ 500 crore to be entered during FY 2024-25. The Audit Committee has noted that the said transactions will be executed as per the terms of the purchase orders, which is in the ordinary course of business.

As per the SEBI Listing Regulations, all related parties of the Company, whether or not a party to the proposed transaction(s), shall abstain from voting on the said resolutions.

Mr. Sripal Kumar Mohanlal, Mr. Mohanlal Bharath Kumar Jain, Mr. Subhashchand Mohanlal, Mrs Seema Jain, Mrs. Saritha Devi and Ms. Sapna Jain and their relatives are deemed to be concerned or interested in these resolutions.

None of the other Directors, Key Managerial Personnel of the Company and their respective relatives, are in any way, concerned or interested, financially or otherwise, except to the extent of their shareholding in the Company, if any, in the proposed Ordinary Resolution, as set out in Item no. 8 of this Notice.

2. REVIEW, OPERATION & PERFORMANCE

The Company reported normal financial performance in FY24 despite facing significant challenges in the external environment vis-a-vis steel industry, throughout the year. Post the announcement of Export Duty on the steel industry in May 2023, the industry had a noticeable impact on its performance, as the industry took time to adapt to the new dynamics, drop in price realizations, etcetera. This, in turn, affected the ancillary suppliers of the Raw Materials, resulting our Revenue from Operations at ₹ 1898.85 Crores, as compared to ₹ 2996.82 Crores in previous FY, a decrease of 36.64% YoY. Profit Before Tax for the year stood at Loss of ₹ 54.81 Crores, as compared to Profit of ₹ 35.41 Crores in previous FY, a decrease of 254.77% YoY, as the price of the metals have dipped. The earnings per equity share (of face value ₹ 10) for the year 2023- 24 has decreased to Loss of ₹ 72.53/- from profit of ₹ 35.16/-in the previous F.Y.

Despite the challenges faced in FY24, we remain optimistic about the prospects of the Company. Our strategic focus on value added products, exploration of export markets, and expansion into adjacent product categories will position us well for the growth and enable us to capitalize on emerging opportunities. There has been no change in the nature of business of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS**a) Industry Structure And Developments and Outlook**

The global economy remained resilient in 2023 despite the escalation of geo-political conflicts, higher-for-longer interest rates and demand slowdown. High interest rates have also speculated a period of recession in the major economies like the US and the EU, which have been outdone in CY2023. After projecting global economic growth of 3.1% in CY2023 in its Jan 2024 outlook, the IMF has upgraded its projection to 3.2% in its April 2024 outlook.

Global inflation is receding at a faster pace than anticipated. It declined from 8.7% in CY2022 to 6.8% in CY2023 and is expected to further decline to 5.9% in CY2024, according to IMF. Though headline inflation witnessed a sustained decline from the unprecedented peaks, core inflation has maintained its sticky nature and required strict vigilance of the central banks to bring it down to the desired levels. Inflation levels in most of the countries remained above the target levels which compelled the central banks to maintain their stance on monetary tightening for the year. The global economy also dealt with the challenge of high borrowing costs due to the persistent high interest rates. However, the prospect of further relaxation of financial conditions has prompted an upswing in equity markets, although uncertainty persists regarding the timing of interest rate reductions. Financial market sentiments have been fluctuating, with evolving perspectives on an early pivot by central banks in advanced economies. Central banks are exercising caution and have stalled the interest rates to fully transmit the impact of tight monetary policy. This has led to subdued commodity demand and a softening in prices in CY2023.

Looking ahead to 2024, the Indian steel industry is poised for steady growth supported by several favorable factors. India's crude steel production is expected to grow to around 125 Mt in 2024, maintaining its position as the world's second-largest producer. Continued investment in infrastructure projects, including roads, railways, and urban development, is expected to drive steel demand. The National Infrastructure Pipeline (NIP) envisions an investment of ₹111 lakh crore (\$1.4 trillion) by 2025, with significant allocations towards transportation, energy, and urban infrastructure. Major projects include the Bharatmala Pariyojana, aiming to develop 83,677 km of highways by 2025, and the Sagarmala project, focused on port modernization and connectivity. The automotive sector, a significant consumer of steel, is anticipated to recover fully from the pandemic-induced slowdown. Vehicle production is expected to grow by 8% in 2024, driven by rising consumer confidence, new model launches, and increased focus on electric vehicles (EVs). The expansion of renewable energy projects, particularly solar and wind energy, will create additional demand for steel products used in the construction of energy infrastructure, with the government targeting 175 GW of renewable energy capacity by 2025.

With global steel demand projected to rise by 2.5% in 2024, Indian steel manufacturers are likely to capitalize on export opportunities, with exports projected to increase to 19 Mt. The focus on improving product quality and compliance with international standards will enhance India's competitiveness in the global market.

In 2024, the demand for ferrous alloys in India is projected to increase significantly, driven by their wide range of applications in various industries. The production of ferrous alloys in India is expected to grow by around 10% to reach 14 Mt, supported by advancements in metallurgical technologies and increased investment in specialized steel manufacturing.

The production of high-value ferrous alloys enhances the profitability of steel companies by offering premium products that command higher prices in both domestic and international markets. This value addition is crucial for improving the industry's overall economic health. The expansion of ferrous alloy production creates job opportunities and promotes skill development in specialized areas of metallurgy and engineering, contributing to economic growth and workforce development.

Indian economy came out as a top performer in FY 2023-24 despite the domestic challenges of high inflation and subsequent monetary tightening, and setbacks in the export market due to the global slowdown. As per the second advance estimates released by the National Statistical Office (NSO), real GDP is expected to grow by 7.6% in FY 2023-24 as against 7.0% in FY 2022-23, driven by robust domestic demand, moderate inflation, a stable interest rate environment, and strong investment activities. Furthermore, India also concluded a successful presidency of G20 showcasing India's capability to cater to global needs and providing a platform to address global concerns.

b) Opportunities and ThreatsOpportunities

Despite ongoing geopolitical tensions and economic headwinds, including the ongoing Russia-Ukraine war, the European energy crisis, and global inflation, metal prices remained relatively stable throughout most of the year. This stability reflects the continued robust underlying demand for metals across various sectors. India's rapidly growing automobile industry, projected to become the world's third-largest market by 2026, is another key opportunity. In 2024, the automobile sector is expected to see a 10% growth in vehicle production, further increasing the demand for steel. The global push towards sustainability is also fostering the development of green steel technologies. With a projected CAGR of 12% in the green steel market, Indian steel manufacturers investing in eco-friendly production methods can tap into this growing demand for sustainable products.

The global iron ore market in CY 2023 displayed remarkable resilience and adaptability in the face of challenges including price volatility. While prices fluctuated throughout the year, reaching a low in May 2023 due to temporary demand dips, they recovered significantly due to several positive developments.

India, a key player in the iron ore market, witnessed a stellar year in FY 2023-24. Domestic iron ore production reached an all-time high of 282 million tons, reflecting a significant 13% Y-O-Y increase. This growth was mirrored in domestic steel production, which surged by 10% to reach 139 million tons. Additionally, India's iron ore exports rose to a three year high of over 44 million tons, showcasing the country's growing importance in the global iron ore landscape.

Threats

Globally, high inflation and interest rates, coupled with supply surplus, have exerted significant pressure on demand. However, India's robust government spending on infrastructure development and positive consumer sentiments have not only provided a cushion but

also boosted economic growth. Despite the persistent monetary tightening by the RBI, the domestic demand has remained resilient and supportive.

However, the industry faces several threats in 2024 that could impact its growth. Volatility in raw material prices, particularly iron ore and coking coal, poses a significant risk to production costs and profitability. Iron ore prices have fluctuated, while coking coal prices have remained volatile due to geopolitical tensions and supply chain disruptions.

Logistics issues like handling bulk materials like iron ore and steel presents logistical challenges, significantly impacting transportation costs. Efficient logistics are crucial for maintaining cost competitiveness.

Global economic uncertainties, including potential recessions in key markets, could dampen demand for steel. The ongoing geopolitical tensions, particularly the Russia-Ukraine conflict, may lead to economic slowdowns in several regions. The IMF projects a potential global economic growth slowdown to 2.9% in 2024, which could adversely affect steel demand. Additionally, unfavorable changes in international trade policies, such as tariffs and export duties, can affect the competitiveness of Indian steel in the global market. Recent export duty impositions have already impacted the industry, with a 16% decline in steel exports in FY 2023. Continued disruptions in the global supply chain, whether due to pandemics, natural disasters, or geopolitical conflicts, can affect the availability of essential raw materials and components, impacting production schedules and costs. High degree of volatility in currency markets, with steady increase in Dollar prices may impact the Company's margin.

c) Segment Wise And Product Wise Performance

The Company's gross revenues in the F.Y 2023-24 was at ₹ 1,898.85 Crores as against ₹ 2,996.82 Crores in the F.Y 2022-23. Further, during the year under review the Company has reported Loss before taxes at ₹ 54.81 Crores as against profit of ₹ 35.41 in the previous financial year.

The company is engaged primarily in the business of trading in Ferro & Non Ferro Alloys, Metals, Minerals & allied products. Hence, there are no separately reportable segments.

d) Risks And Concerns

The Indian economy has been remarkably resilient in the face of the deteriorating global situation. This is a reflection of the strengthening macroeconomic stability. There were headwinds throughout the year that impacted India's path to economic recovery. Globally, high inflation and interest rates, coupled with supply surplus, have exerted significant pressure on demand. However, India's robust government spending on infrastructure development and positive consumer sentiments have not only provided a cushion but also boosted economic growth. Despite the persistent monetary tightening by the RBI, the domestic demand has remained resilient and supportive.

Steel industry has been impacted by high inflation and interest rate environment in addition to growing geo-economic fragmentation. The slowdown of steel consuming sectors, especially in EU & US continued in 2023 as investment and consumption weakened. The delayed effect of tightening monetary policy may allow slow recovery in 2024 in advanced economies while emerging economies, particularly Asia may grow faster. Persistent core inflation, high oil prices and tight job market remain the downside risks to stabilising inflation.

Due to Fluctuating Demand, accurately predicting demand is difficult, often leading to delayed returns on investment. This uncertainty makes strategic planning and capacity management complex.

e) Internal Control System and its adequacy

The Company's Corporate Governance Policy guides our conduct of affairs and the Management, including financial and accounting policies, systems and processes. AUDITORS' CERTIFICATE ON COMPLIANCE OF CORPORATE GOVERNANCE
{Pursuant to Regulation 34 read with Schedule V to the SEBI (Listing Obligations and Disclosure, 2015 Requirements) Regulations.}

To,
The Shareholders
Oswal Minerals Limited

We have examined the compliance of the conditions of Corporate Governance by Oswal Minerals Limited for the year ended on 31st March, 2024, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [collectively referred to as "SEBI Listing Regulations, 2015"]. The Compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to review of the procedures and implementation thereof, adopted by the Company, for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. In our opinion and to the best of our information and according to the explanations given to us and based on the representation made by the Directors and Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in SEBI Listing Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Independent Auditors' Report

To

The Members of **Oswal Minerals Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Oswal Minerals Limited ("the Company") which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act, 2013** (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2024, the profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

"We have determined that there are no key audit matters to communicate in our report."

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the company are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the respective Board of Directors of the companies included in the company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the company are also responsible for overseeing the financial reporting process of the company.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or taken together, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities within the company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the financial statement.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company as far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the note 25(11) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note 25(11) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(d) No dividend declared or paid during the year by the company hence compliance with section 123 of the Companies Act, 2013 is not applicable.

(e) The Company has complied using accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - A to the Independent Auditor's Report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Oswal Minerals Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Oswal Minerals Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that,

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

In addition, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the criteria for internal control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 Significant Accounting Policies

2.1 Basis of Accounting and Preparation of Financial Statements

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS), notified under sec 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable.

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for rental deposit, which has been measured at present value as required by the relevant Ind AS.

2.2 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, assumptions and judgement. The estimates and judgements relating to the Financial Statements are made on a prudent basis, so as to reflect in a true and fair manner, the form and substance of transactions and reasonably present the Company's state of affairs, profits and cash flows for the year ended March 31, 2024.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

2.3 Property, Plant and Equipment

a) Recognition and measurement: Property, Plant and Equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset.

b) Depreciation: The Company depreciates property, plant and equipment over the estimated useful life on WDV from the date the assets are ready for intended use. The estimated useful lives of assets for the current and comparative period of significant items of property, plant and equipment are as per years specified in Scheduled-II of Companies Act, 2013.

(c) Depreciation methods, useful lives and residual values are reviewed at each reporting date.

(d) Capital work-in-progress is stated at cost, net of impairment loss, if any. The cost of self-constructed assets includes the cost of materials, direct labour, and any other costs directly attributable to bringing the assets to a working condition and location for their intended use, the initial estimate of dismantling and removing the items and restoring the site on which they are located.

2.4 Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

2.5 Impairment of Assets

The carrying values of assets or cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.6 Employee Benefits

Employee benefits in the form of Provident Fund, and Employees State Insurance are defined contribution plans. The Company recognises contribution payable to a defined contribution plan as an expense, when an employee renders the related service. If the contribution payable to the scheme for services received before the balance sheet date exceeds the contribution already paid, the contribution payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, the excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity liability is defined benefit plans. The cost of providing benefits under the defined benefit plans is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Remeasurements of net defined benefit liability are charged or credited to other comprehensive income.

2.7 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

OSWAL MINERALS LIMITED

Notes forming part of the financial statements for the year ended 31st March, 2024

2.8 Revenue Recognition

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. This involves discounting of the consideration due at the present value if payment extends beyond normal credit terms. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

2.9 Inventory Valuation

Traded goods are valued at lower of cost and net realizable value including necessary provision for obsolescence. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO Basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. The comparison of cost and NRV is made on an item by item basis.

2.10 Foreign currency transactions and translations

Transactions in foreign currencies are translated into the respective functional currencies of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. The resulting difference is recorded in the Statement of Profit and Loss.

Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in statement of profit or loss.

The Company relies on natural hedging strategies to manage its risk associated with foreign currency fluctuations. The impact of foreign currency fluctuations is reflected directly in the statement of profit or loss.

2.11 Related Party Disclosures

List of related parties, nature of relation and transactions thereon during the year has been disclosed separately in the notes to accounts.

2.12 Earnings per Share

Basic earnings per share is computed by dividing the profit after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.13 Income Tax

Income Tax for the year comprises current and deferred income tax. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

25.4 Fair value measurement and financial instruments

A. Financial instruments – by category and fair values hierarchy

(Rupees in Lakhs)

Set out below is a comparison by class of the carrying amounts and fair value of the Company's financial instruments that are recognised in the financial statements.

Particulars	As at 31st March, 2024		As at 31st March, 2023	
	Carrying value	Fair Value	Carrying value	Fair Value
Financial Assets designated at amortised cost:				
Trade Receivables *	82,654.50	82,654.50	87,687.13	87,687.13
Cash and Cash Equivalents *	29.81	29.81	74.96	74.96
Other balances with Bank *	16.10	16.10	3.50	3.50
Total Financial Assets	82,700.41	82,700.41	87,765.59	87,765.59
Financial Liabilities designated at amortised cost:				
Borrowings (including current maturities) #	41,826.73	41,826.73	32,722.19	32,722.19
Trade Payables *	59,326.22	59,326.22	89,384.31	89,384.31
Total Financial Liabilities	1,01,152.95	1,01,152.95	1,22,106.50	1,22,106.50

*The carrying amounts of trade receivables, trade payables, cash and cash equivalents, bank balances other than cash and cash equivalents and other financial assets and liabilities, approximates the fair values, due to their short-term nature.

The Company's borrowings have been contracted at fixed rates of interest. Accordingly, the carrying value of such borrowings (including interest accrued but not due) which approximates fair value.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- (a) Credit risk ;
- (b) Liquidity risk ; and
- (c) Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors along with their senior management has established the processes, which ensures that executive management controls risks through the mechanism of properly defined framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risks limits and controls, to monitor risks and adherence to limits. Risk management policies are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

OSWAL MINERALS LIMITED

Notes forming part of the financial statements for the year ended 31st March, 2024

(a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

(i) Trade receivables

The Company extends credit to customers in the normal course of business. Outstanding customer receivables are regularly monitored. The Company has also taken advances from its customers, which mitigate the credit risk to an extent. An impairment analysis is performed at each reporting date on an individual customer basis for major customers. Refer note no.7 for detailed aging of trade receivables.

The Company believes that the unimpaired amounts that are past due by more than 180 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk.

(ii) Deposits with banks and other financial instruments

The Company considers factors such as track record, market reputation and service standards to select the banks with which balances and deposits are maintained. Generally, the balances are maintained with the banks with which the Company has also availed borrowings. The Company does not maintain significant cash balances other than those required for its day to day operations.

(b) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, letters of credit and working capital limits. The Company ensures that it has sufficient cash to meet operational needs while maintaining sufficient margin on its undrawn fund based borrowing facilities at all times.

(c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial asset will fluctuate because of changes in market prices, including the effects of changes in foreign currency exchange rates and interest rates.

(i) Currency risk

Foreign currency risk is the risk that fair value of future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. The Company has foreign currency trade payables and receivables and is therefore, exposed to a foreign exchange risk. For mitigating exposure to foreign exchange risk, the Company adopts a policy of natural hedging based on the risk perception of the management.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short-term debt obligations with floating interest rates. Any changes in the interest rates environment may impact future cost of borrowings. As the Company does not have exposure to any floating interest bearing assets, or any significant long-term fixed-interest bearing assets, its interest income and related cash inflows are not affected by changes in market interest rates. Moreover, the short-term borrowings of the Company do not have a significant fair value or cash flow interest rate risk due to their short tenure.

(vii) Description of Risk Exposures

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follow:

(a) Interest risk: The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

(b) Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

(c) Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

25.8 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company's capital management is to safeguard continuity, maintain healthy capital ratios in order to support its business and maximise shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirement is met through internal accruals, long term borrowings and short term borrowings.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements.
